What's New at SG&M??!

C-Gull Cricut Cartridge Totes are Here!

You can protect your entire cartridge investment with this beautifully designed carrying bag from C-Gull.

This tote is ideal for long-term storage of your Cricut cartridges and for packing them up and taking them to your next cropping party.

The C-Gull Cartridge Tote is designed to accommodate up to 72 Cricut cartridges, keypad overlays, and booklets. Each Cricut cartridge is held securely in place in a padded pocket compartment. These double-sided cartridge pockets are located on both the front and back sides of the bag. Inside the bag is a flexible storage area that can be used to store overlays, booklets, or tools. Additionally, a large interior pocket can safely hold a stack of 12" x 12" paper. 2 large outer pockets provide additional storage on this one-of-a-kind bag. Simply zip the bag shut with as many or as few cartridges as you wish and bring your scrapbook supplies with you wherever you go.
