SG&M Sketch Class #2

(aka "Using Sketches & Making them your Own")

The August Sketch class was very popular and you created some great pages... so we thought we'd do it again with a new sketch!
Do your pages all look the same? Do you want to learn something new? It's time to challenge yourself!

This class will highlight those wonderful die cut papers that are so popular now....

You will see how easy it is to use "Page Maps" to make each page different. You'll learn about Paper **Dissection** - no "MD" needed!

We'll also show you how to receive free Page Maps each month to keep your Scrapbook MOJO cooking!

You will need to bring: three photos (5x7, 4x6 that can be cropped), adhesives, trimmer & tool kit.

Bring your own paper or come early to select the perfect complements to your photos.

Call & sign up for this class today!

>> **Wednesday, Sept. 16: 6-8pm; \$15**
